# Weekly Math Sheet

Will be sent home on Mondays and is due back to school on Fridays. Students may return it to school sooner if desired.

The math problems will be a review of what we have learned and practiced in math the week prior to the homework.

# Multiplication Facts

-Review the math facts they are learning or working on in school.

-Practicing flashcards 2-3 minutes a day will help with automatic recall of multiplication math facts 1-12 and helps establish a foundation for future math success.

# MyOn

- ❖ Many students used this website last year to access digital books and projects. We will be using MyOn in class. Students can also access MyOn at home for their reading minutes.
- ❖ The system is being updated, so we will send more information once everything is up and ready to use.
