Sample Math

- In order to ride *Cannibal at Lagoon*, you have to be at least 48 inches tall. Work with your team to describe what this height restriction would look like mathematically using an inequality. List 10 heights that would be allowed on the ride and 10 that would not be. How many possible heights are there? What can you say about the solution set of inequality? Illustrate on a number line to show all of the possible heights for *Cannibal*.

Math Resources

- **New Math Program similar to ALEKS**
- **User names and passwords will be given to the students**

Does my child have homework?

- Math – Weekly Math homework will be assigned to students. It will be 5 problems assigned on Monday and due Thursday.

Name _____ Week _____ Class _____

1	Show your work and solve: $123 + 875 =$ _____
2	Show your work and solve: $15,258 + 45 =$ _____

Does my child have homework?

- ◉ Reading – We ask for 100 minutes minimum a week (20 min a day). Signed reading logs are due each Friday. This is less than previous years because of how busy 6th graders become.
- ◉ Language Arts/Greek and Latin – Various weekly assignments that are due every Friday.

Weekly Test

- Each Friday your child will take a Greek/Latin test. Grades are put onto SIS that day.
- Your child should be studying these words each night in order to do well on these weekly tests.
- Sample Greek and Latin question:

Cats and dogs are an example of these:

- a. quadrupeds* *b. bipeds*
- c. tripods* *d. peddlers*

Planner

- See the planner for Greek/Latin homework details. This is due on Fridays.
- This papers should be signed and turned in on Friday.

SIS

- SIS is a wonderful resource to check grades! (Check out the App)
- Students know on Friday what they are missing because of their Friday Folder.
- We update SIS a few times a week. We recommend that you choose a day of the week to check SIS with your student.
- You should know your student's login information. Passwords can be changed on the Nebo webpage.

Friday Folder

- Your child will bring home their Friday Folder each Friday.
- There will be a missing grade report or an “All Caught Up” Pass inside.
- In addition, there will be notes and graded papers/tests.
- **You need to look over this information, clean out the folder, sign it, and return it on Monday.**

Email & 6th Grade Site

- In addition to the Friday Folder, we use email and our 6th grade site to communicate.
- We are trying to conserve money and therefore we will be communicating electronically as much as possible. Please check your email often.
- Our 6th grade site is:
<https://sites.google.com/nebo.edu/spanishoaks6th/home?authuser=0>
- Please bookmark it and refer to it often.

Remind

- Each class will be using the Remind App to communicate with you all.
- When you go to the classroom for the open house you will see the code to join the appropriate class.

Technology/Electronic Devices

Nebo Student Electronic Device Policy

3.1.1 Electronic devices may be used during a class period or school activity when specifically approved by the teacher or a school administrator in conjunction with educationally appropriate objectives. A teacher or school administrator should only authorize the use of electronic devices during a class period or other school activities when it benefits and enhances the students' education. Such matters may be addressed in a disclosure document provided by the teacher outlining class rules, procedures, and expectations.

Please sign up for room parents and classroom activities outside the gym.

All other forms can be picked up in our classrooms during the open house tonight from 4-5pm.
