

Dear sixth grade students and parents,

My name is Koralee Walker and I will be teaching the 6th Grade String Orchestra this year! Classes will be on Tuesdays and Thursdays beginning at 8AM; beginning the first Tuesday of October 2019. Students will learn to play a string instrument, develop a love of music, learn to work as a team, perform for friends and family, and have tons of FUN! Tuition is only \$75 for the entire school year. If your child qualifies for fee waiver (free lunch), please talk to the school secretary about waiving tuition.

Instrument choices for the 6th Grade String Orchestra are: violin, viola, and cello. Students must bring and be responsible for their own instrument. Students can rent or buy instruments through most local music stores. The store personnel will be happy to measure the student for the right size instrument. As tempting as the price may be, we don't recommend buying the cheap, colorful instruments from online retailers. Nebo School District has a very limited number of cellos and violas available to rent. Rental cost is \$100 for the school year.

We will be learning from the String Explorer, book 1. This method book is available at most music stores and online. Make sure to get the book correlating with the chosen instrument!

RETURN THIS FORM TO THE OFFICE BY FRIDAY, SEPTEMBER 27th if your child is interested in participating!
