Comments/Questions addressed:

- Parents have loved our “Hero” theme this year. Also impressed with our new Excellent Explorer Award/activities.
- Parents impressed with how 5th grade did fieldtrip: sending out one (1) Google doc to all parents asking for parent volunteers. They knew who else was volunteering and could plan carpooling, etc. Heidi asked to pass idea on to other teams for future fieldtrips.
- School play very popular and has received a lot of positive feedback, e.g., loved how organized it was, how students “ran the show”, and that all the students were used equally and involved.
- Small gifts of appreciation given to parents who have volunteered and been part of the council this past year.
