

School Access Walk/Bike Route Plan 2017-2018

Spanish Oaks Elementary School

In accordance with state standards, Spanish Oaks Elementary has identified school access routes for students who live within the walk boundary established for the school. A map showing the identified routes can be viewed by following the link below:

http://www.snapforschools.com/Map_view.aspx?EntityID=821

The intent of a school access route plan is not to identify every school access route or to identify the more convenient school access routes; it is to identify main routes that are considered school access routes. *It is the responsibility of parents/legal guardians of each walking student to identify and instruct their children as to the route they should follow to get to the main routes identified in this plan and illustrated on the map.*

Parents are encouraged to walk or bike the school access routes with their children, to address specific concerns they may have, and to instruct their children to obey the laws and rules pertaining to pedestrian safety. If parents feel their children should use a school access route that is not identified in this plan, it is the parent's prerogative to make that choice.

Care has been taken to consult with local law enforcement, school PTA and School Community Council representatives, and the District's traffic safety committee in establishing these school access routes. Despite broad consultation and unanimous agreement from all parties involved in approving this plan, no one, including the Nebo School District and representatives from Spanish Oaks Elementary School, can guarantee that the agreed upon school access routes are or will ever be completely free from hazards.

As previously stated, the intent of a school access route plan is not to identify every school access route or to identify the more convenient school access routes. For this plan, school access routes leading to the school have been identified and are described below.

School Access Route Description

1. West of 2600 East
 - a. Students living along 2600 East are encouraged to walk along 2600 East to the intersection at 1650 South and Spanish Ridge Drive. At this intersection, students on the west side of 2600 East should use the crosswalk and cross to the east side of 2600 East and then continue walking south to Stony Hill Way. Staying on the east side of the road, students should walk down Stony Hill Way to the crossing guard located just beyond Stony View Drive. Here students can cross Stony Hill Way and access the school via the passageway leading to the rear of the school.
 - b. Students living between 2600 East, 2300 East, 1580 South, and 1700 South are encouraged to make their way to the intersection at 2600 East and Spanish Ridge Drive (1650 South 2600 East). At this intersection, students should use the crosswalk and cross to the east side of 2600 East and then continue walking south to Stony Hill Way. Staying on the east side of the road, students should walk down Stony Hill Way to the crossing guard located just beyond Stony View Drive. Here students can access the school via the passageway leading to the rear of the school.

2. Students living east of 2600 East, but adjacent to and west of 2850 East (Spanish Ridge Drive), are encouraged to work their way over to 2600 East and follow the instructions listed in (1a) above OR are encouraged to make their way to 2850 East and follow it to the intersection at 2600 East (1650 South 2600 East). Here students needing to cross to the south side of 2850 East should use the cross walk to do so. Students should walk south along 2600 East to Stony Hill Way. Staying on the east side of the road, students should walk down Stony Hill Way to the crossing guard located just beyond Stony View Drive. Here students can cross Stony Hill Way and access the school via the passageway leading to the rear of the school.
3. Northeast of Stony Hill Way
 - a. Students living along or between Stony View Drive and 2750 East are encouraged to make their way to the crossing guard located just south of Stony View Drive and then cross to the west side of stony Hill Way. From here students can access the school via the passageway leading to the rear of the school.
 - b. Students living along 2900 East and students living between 2900 East, 1480 South, and Canyon Road are encouraged to make their way to 2900 East and walk south to Canyon Crest Drive. At Canyon Crest Drive, students should walk west along the north side of the road to the school. Crosswalks are located at the bottom of 2900 East and at the bottom of Stony Hill Way.
4. Students living along/between 2960 East, 1530 South, 3400 East, and Canyon Crest Drive are encouraged to make their way to 2960 East and 1660 South, then walk to 2900 East and follow it south to Canyon Crest Drive. At Canyon Crest Drive, students should walk west on the north side of the road to the school, OR students are encouraged to make their way to Canyon Crest Drive and then walk west along the north side of Canyon Crest Drive to the school.
5. Students living in the Canyon Glenn Loop area are encouraged to walk along the north side of River Bottom Road to 3400 East and then follow the sidewalk up the hill to Canyon Crest Drive. Staying on the south side of Canyon Crest Drive, students should walk west to the crossing guard/crosswalk in front of the school.
6. Students living northeast and east of the golf course (Fairway Lane area) are encouraged to walk to the 3400 South/River Bottom Road intersection and cross to the west side of 3400 East. From here, students should follow the sidewalk up the hill to Canyon Crest Drive. Staying on the south side of Canyon Crest Drive, students should walk west to the crossing guard/crosswalk located in front of the school.
