AM School Access

The front and back doors on the EAST end of the school will be open each morning at 8:00 a.m. Students are welcome to choose to stay inside or go outside once they arrive at school each morning. If students choose to remain inside, they need to stay in the **east hall by the lunchroom** where supervision can be provided. We should not have students in any of the other halls. To facilitate student drop-off, the front doors on the west side of the school by the kindergarten rooms will be opened at 8:45 a.m. Students are welcome in classrooms *after* 8:45 a.m. We will continue to have our PM Kindergarten students come to the front door. This will help us keep students safe and our school secure.

Outside Play

As the weather begins to cool, the expectation is for students to go outside on appropriate days. Students need to come dressed for outside play. As the inevitable 'inside day' is needed, we are grateful to our wonderful specialists who will supervise students in the school's vestibules, providing appropriate inside activities.

Student Birthdays

It will be my pleasure to deliver a small birthday card and gift for all of our birthdays. In December we will celebrate the *half-birthdays* of those born in June, and those born in July will be recognized in January.

Every precaution is taken to protect the privacy of all students. Student pictures from field trips & school activities, however, may be published online, in the school newspaper, on our website, etc. If you do not want your child's picture published, please inform your child's teacher.

Message from Mrs. Brown

Wow! We are so excited to welcome everyone back for another wonderful year of learning! We appreciate your continued support in our efforts to keep all students safe by checking in at the office and wearing an identification badge **each time** you come to the school, i.e., classroom helpers, volunteers, presenters, etc. Please refer to our *Family Information Guide* found on our school's web site for more information. Please review the Safe Walking Route included to help in our collective efforts to keep our students safe. <http://spanishoaks.nebo.edu/>

If you have children who are now in junior high, please request that they come directly home after getting off the bus rather than coming over to Spanish Oaks to visit. When the junior high bus drops off students we are still holding school. If it is necessary for your junior high student to pick up siblings from our school, please designate a location where your children can meet, i.e., the flag pole, in front of the school, or the *cat walk* in back. Junior high students will be expected to wait outside for siblings. Thank you for your support!

By law each school in Utah has an elected School Community Council (SCC) that fulfills specific school responsibilities. The first meeting of our SCC will be Wednesday, September 3, 2014 at 3:45 p.m. in our faculty lounge. We have posted the meeting schedule and contact information on the school web site. SCC meetings are open; any parent is welcome to attend.

Thank you for sharing your amazing children with us. We are excited to learn and grow alongside them!

Movie Under the Stars

To kick off this year's PTA focus of "Only with Teamwork Are We Able to Accomplish Our 'Bucket-Filling' Goals", on **Friday, September 5, at 7:30 p.m.** *The Aristocats* will be shown! Families are invited to bring blankets, pillows, chairs, and treats and join us outside for *our movie under the stars!*

"Bucket Filling" at Spanish Oaks

This year at Spanish Oaks we are focusing on being "Bucket Fillers"! Each of us has an invisible bucket. It is constantly emptied or filled, depending on what others say or do to us. When our bucket is full, we feel great. When it's empty, we feel awful ... **At Spanish Oaks, we fill buckets!**

At our Back to School Night we introduced our "bucket filling" focus to parents. During the first week of school Mrs. Brown joined each of the classes and shared *Have You Filled a Bucket Today?* We introduced our buckets, "drops", thank you rewards, weekly winners, posters, etc. The students learned how EVERY faculty and staff member at our school will have "drops" and be giving them out all year long to students they see filling other's buckets, i.e., Mr. Billie might give one to a student for cleaning up in the lunchroom after themselves; Mrs. Downey might give one to a student who walks quietly through the library when asked; Mrs. Johnson might give one to a student who remembered to be on time for school all week long, etc. These "drops" are then returned to the classroom teacher, where teacher keeps track of ALL the drops for the whole month!

Every week teachers will send the name of someone in their class who has been a "Bucket Filler" that week. We will announce their name(s) on Friday morning and invite them to come to the office for a special "thank you" for being awesome bucket fillers! Each weekly recipient will then get to write their name on our gigantic BUCKET poster we have hanging outside the main office!!

In each classroom the teachers will keep track using our "drops" of all the times their students fill someone's bucket ... At the end of the month they will turn in these totals and the bucket-filling winning class will earn a 'thank you' reward activity, i.e., root beer floats, creamies, pizza celebration, popcorn and story, etc., with Mrs. Brown! At the end of the year we will have a whole-school bucket-filling celebration!!

Have YOU Filled Someone's Bucket Today!?!
