We are so excited to hold our annual Jog-a-Thon again at Spanish Oaks for our school fundraiser! Students will receive an envelope with a donation form on Monday. They can collect pledges for how many laps they run, or as a flat rate donation. Our goal is for each student to raise \$10, which will help us meet our goal of \$5,000 for our school! Parents are invited to come cheer for their children during their assigned Jog-a-Thon time. Thank you for supporting our school!
