

SCC Notes 2/10/21

In attendance: Heidi Dimmick, Ryan Murray, Sherri Peterson, Kelly Burtenshaw, Jacoy Baird, Kelsey Glenn

Called to Order: Kelly Burtenshaw

Discussed concerns with Infinite Campus, hard to see who email is coming from, already being addressed at district.

Looked over budget for next year. Will have less students due to 6th grade going to middle school, so amount will decrease.

Safe Walking Route: okay for now, will need to add route to the west of the school next year. Also discussed bussing vs. crossing guard for Sommerset Subdivision for next year. The State and UDOT are doing studies on Canyon Road to see what is the best plan.

Congratulations to Heidi on receiving the Crystal Apple Award.
